

I-10 Ina Road to Ruthrauff Road Traffic Interchange Improvements

PUBLIC MEETING You're Invited!

The Arizona Department of Transportation (ADOT), in conjunction with the Federal Highway Administration and the Regional Transportation Authority in Pima County, is holding a public meeting on Wednesday, November 18, 2009, to introduce the project and obtain public issues, concerns and opportunities on proposed improvements to Interstate 10 (I-10), between the Ina Road Traffic Interchange (TI) and the Ruthrauff Road TI, within the Tucson metropolitan area.

Wednesday, November 18, 2009

5:30 to 7:30 p.m.

Brief Presentation at 5:45 p.m.

Tucson Chinese Cultural Center

Multipurpose Room

1288 W. River Road, Tucson, AZ 85704

ADOT representatives will be available to answer questions and address concerns. The purpose of this project is to increase capacity and enhance safety between the Ina Road TI and the Ruthrauff Road TI. Project improvements will be evaluated in a Design Concept Report and Environmental Assessment. Potential improvements may include: freeway widening; improvement of traffic interchanges and crossroads; possible grade separation of crossroads and railroad crossings at Ina, Sunset and Ruthrauff roads; and possibly new bridges over the Cañada del Oro Wash and Rillito River.

For more information, or for individuals with disabilities who require special accommodations, please contact Paki Rico with Gordley Design Group at paki@gordleydesign.com or 520-327-6077.

If you are unable to attend, please identify any issues or concerns you have regarding this project and mail them to:

Arizona Department of Transportation
